Güterschuppen Arosa

Eating out in the Güterschuppen Arosa is a thrilling experience with fire and flames. Because in their special Jospes oven, things get pretty hot. Food is prepared at temperatures of up to 350 degrees Celsius in this special charcoal oven. This makes meat, fish and vegetables particularly juicy and gives them wonderful fine wood flavours. And that's how the kitchen team under the watchful eye of chef Martin Völker skilfully grills the Güterschuppen dishes to perfection with plenty of fire under the grate.
